WASHEGUM

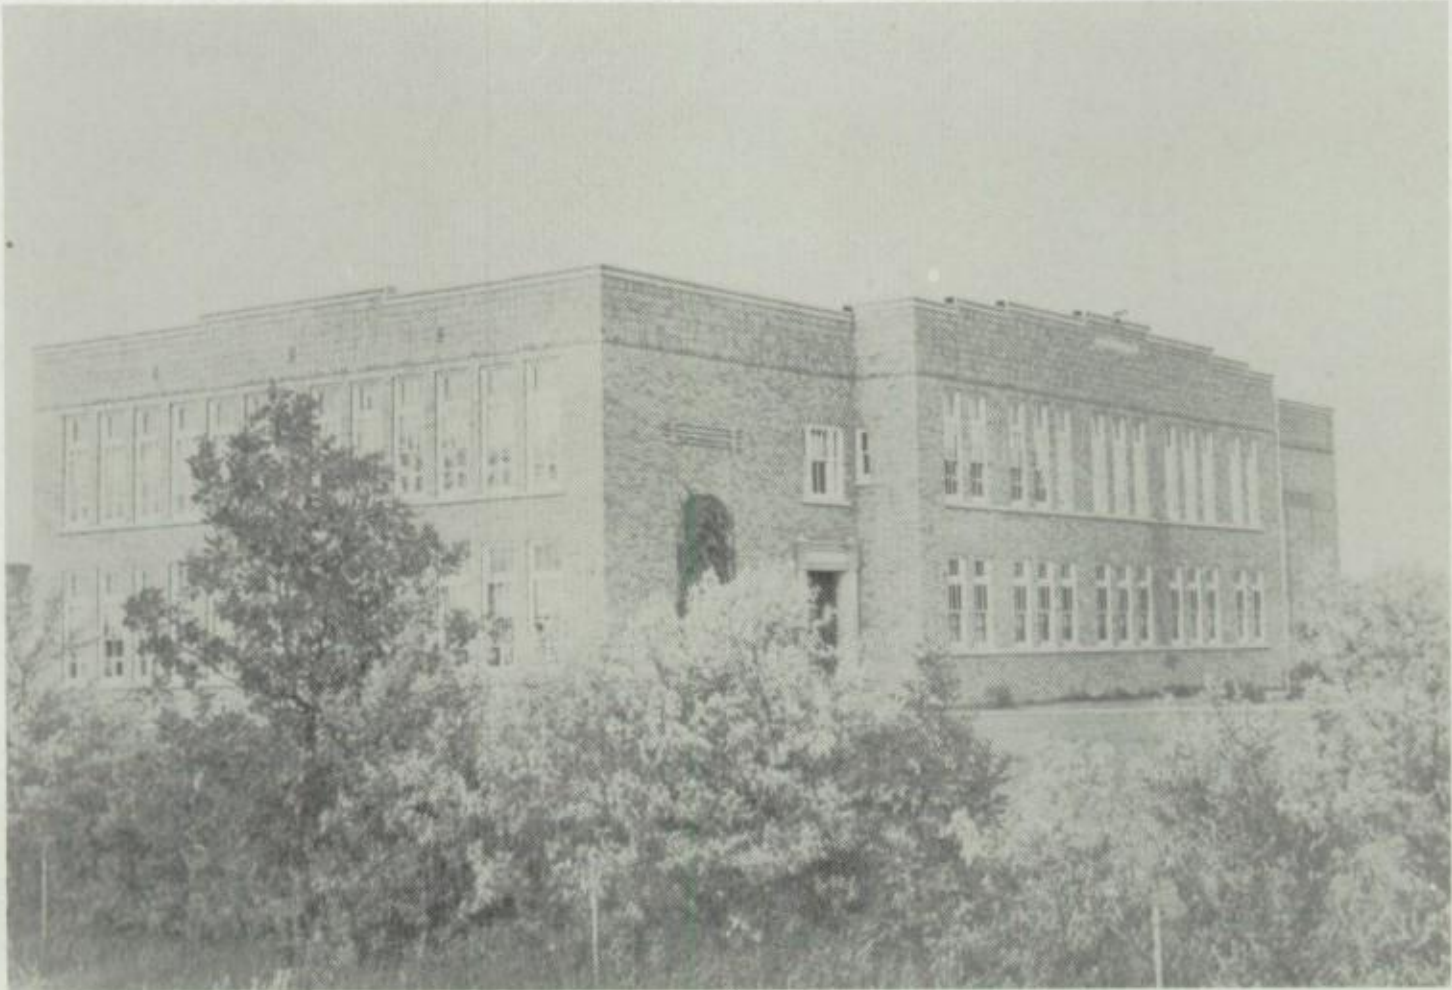

We the members of the Senior Class of 1952, in recognition of our Superintendents, dedicate this book to Mr. Henry Sausker and Mr. Raymond Bangs. These are the men who have directed our high school education and it is our hope that in the future we will continue the good work they began.

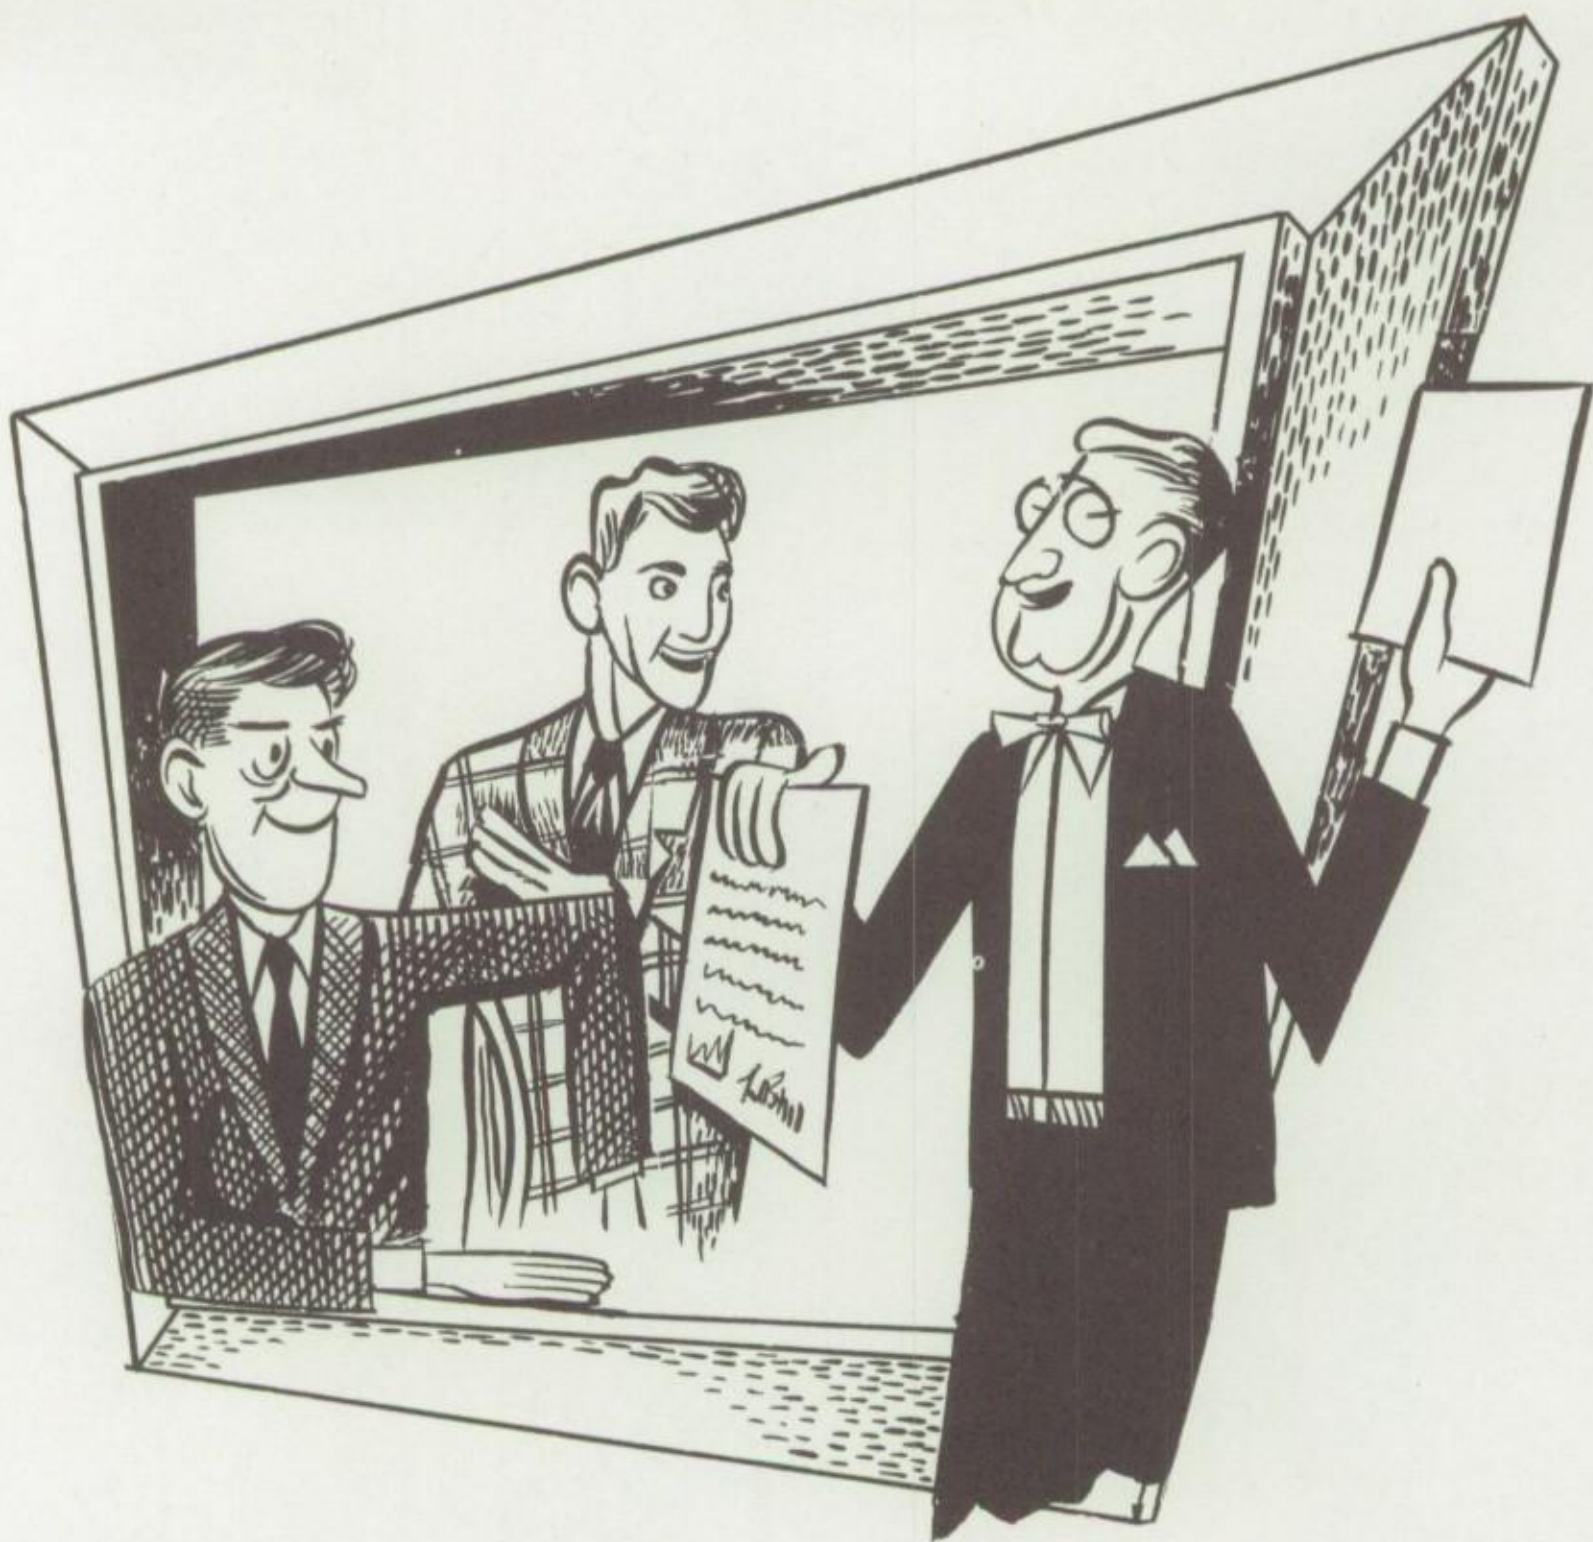

## PORTALS OF DESTINY

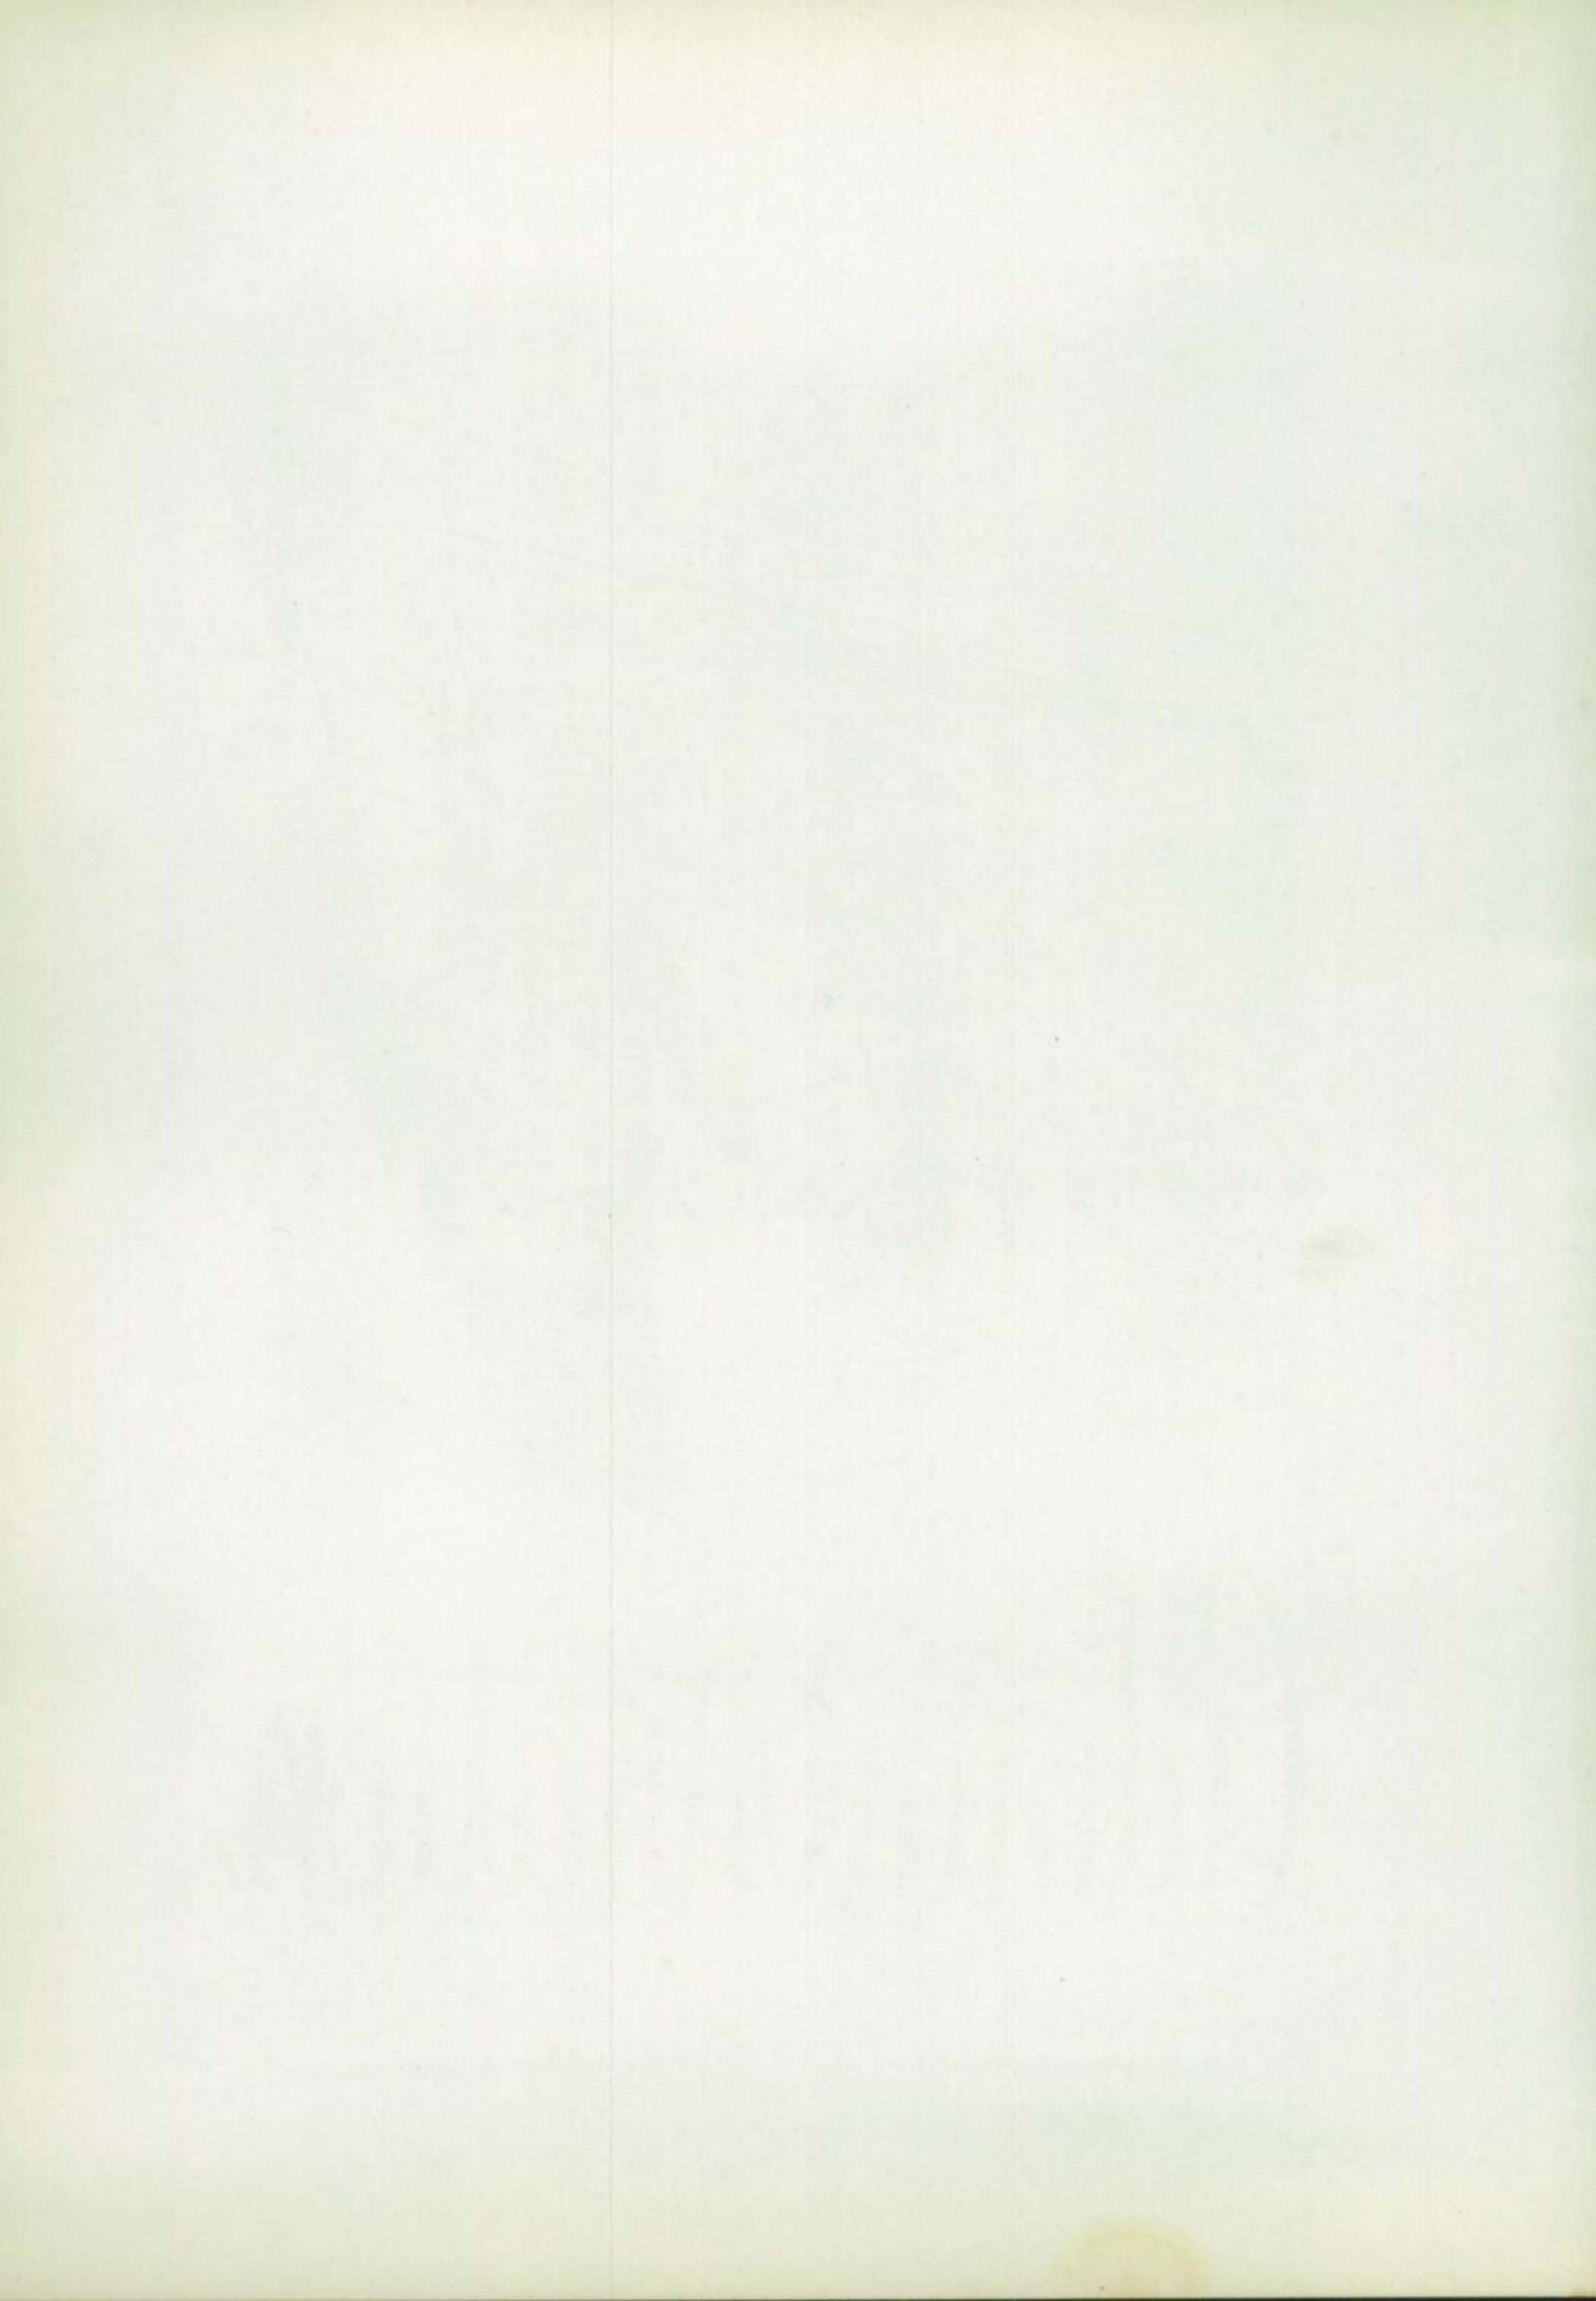

This is our school. In the future our thoughts will often go back to the many hours we spent here and this is the way we will always remember good old Bottineau High.
